The casting of votes has been done separately for each Club. However, for the purposes of the minutes separate minutes are prepared. All attendants agree to this procedure.

For the minutes it is reminded to the holders that in order to secure proper recording of the name of attendees, the number of votes that each holder has and the casting of votes, there is a prior procedure established so that the holders interested in attending the meeting have to indicate their wish in advance, so that and the list of attendants can be prepared on that basis.

Notwithstanding that procedure, Mr. Matthew Summers goes around the attendees in order to check any additional attendee and the list of attendants is prepared. Proxy holders have likewise informed the administrator in advance.

The meeting starts on time.

### Presentation of the Chairman of the Meeting and of the participants

Mr. Calvin Lucock acts as the Chairman of the Holders Association and Mr. José Puente acts as Secretary of the Holders Association, as they were elected in the last meeting of the General Meeting of the Holders Association of Club Vista Amadores held on 1<sup>st</sup> December 2017. Certain questions and comments were made by the attendants in Spanish and translation into English was provided.

The General Assembly was called by means of a letter sent by the Administrator of the Holders Association, as established in the by-laws of the Holders Association.

Being present or represented holders holding a total number of 993 rights (equivalent to the same number of weeks), the meeting is considered as duly convened and constituted in second call. ## **RESOLUTIONS**

### **1. Minutes of the previous General Meeting**

The Chairman explains that the Minutes of the General Meeting held on 1<sup>st</sup> December 2016 were drafted according to the law and the authorization granted by the holders and approved by the Chairman and Secretary. The Secretary informs that the minutes were uploaded into the webpage [www.hccanarias.com](http://www.hccanarias.com)

The Chairman states that the Minutes were prepared duly after the meeting and they were uploaded on to the webpage on due time. No questions or concerns are raised.

The Chairman indicates that the minutes are valid with the signature of the Chairman and Secretary, but he asks the attendees for comments or remarks on the minutes of the previous meeting. No comments or remarks to the minutes are made. The minutes are thus acknowledged by all attendees and no additional comments are made.

The Chairman explains that some questions and comments have been forwarded to him before the meeting in connection with issues discussed in the previous meeting and regarding some other issues. Ms. Charlotte requests that a quicker implementation of the decisions passed, such as the decision regarding the defibrillator. Mr. Picón informs that the defibrillator is already installed, staff will receive the training in December and it will be operational in a few weeks.

Further questions will be addressed in the relevant item of the agenda on questions and answers.

### **2. Report from the Administrator Holiday Club Canarias Resorts Management S.L.U. on the year 2017**

The Chairman updates on the developments of year 2017. The Chairman addresses the following issues:

- (a) Decisions passed by the General Meeting of December 2017
  - (1) Last meeting approved the relevant decisions in order to adapt the schemes in the Club to the 50 year rule and a right has been granted to all Holders to exit in 2048. The decisions have been incorporated into a public deed and they will be submitted to the Land Property Registry.

(2) However one client in Vista Amadores has filed a court challenge because he understands that the decision should have been unanimously. At the end of the day this is a right granted to everyone and each holder will be entitled to decide by his/her own. This has been very recently received and we will file a statement of defence in order to defend the decisions passed by the vast majority of holders.

(b) Challenges of contracts

Regarding contracts signed after 1998 and before 2012 the Supreme Court is still declaring some of them void, though the Supreme Court has confirmed that clients have to pay the maintenance fees and they have to pay for the use of the weeks according to the time that they have been members.

(c) Insolvency of Puerto Calma Marketing S.L. and of Vista Amadores S.L.

These companies stopped their timeshare operations in 2011, they are non-operating companies and are facing many claims from clients. Because of the claims received, those two companies have filed for insolvency and the court has already declared the companies in insolvency ("*concurso de acreedores*"). The Chairman states that the filing of bankruptcy does not affect any contractual rights of clients that bought from those companies. In his opinion this insolvency process will drag on for a substantial period of time. Any new claims addressed to those companies will need to be dealt with by the Commercial Court. If the companies are finally liquidated, the assets of the insolvent companies will be liquidated and the proceeds distributed among the creditors. It is more than likely that they will not have sufficient assets to pay their debts. Mr. Elejabeitia intervenes in the debate and would like to state for the minutes that in his opinion the "insolvency filed by those two entities may be possibly fraudulent". The Secretary states that the insolvency has been requested by those companies because of the financial pressure put on them by the claims and that a court has declared it so that the Court has acknowledged the status of insolvency. The Chairman states that each member thinking about going after those companies should seek for his/her own legal advice, but in his opinion starting claims against an insolvent company is probably not the best recommendation. An insolvent company in Spain or elsewhere means that the company cannot pay its debts. The Chairman finds it his obligation to inform on the aforementioned insolvency proceedings to report it to the clients, as he has done so transparently for the last few years regarding the rulings from the Supreme Court, and mentions that any client is free to do whatever he deems fit.

(d) RCI Gold Crown

All resorts managed by HCC RM in Gran Canaria, including Club Vista Amadores have achieved the gold crown status for 2018

(e) Wi-Fi in the resort.

Capacity of the Wi-Fi has been increased.

(f) TV Channels.

A client puts a question on the TV Channels and he particularly asks for having access to the Norwegian sender NRK. The Chairman answers that he hopes that with the increased Wi-Fi capacity, clients will be able to watch their favourite channels on their own devices. He reminds the members of the difficulties for installing legally satellites and receivers of foreign broadcasters.

The report by the Chairman is acknowledged by the attendees. Some holders attending the meeting raise some comments. The Chairman welcomes these questions and he elaborates on them. He further makes reference to the questions submitted by the holders in writing before the meeting and confirms that they will be answered in the questions and answer section at the end of the meeting and also time will be devoted for further questions.

### **3. Status of the reparation and renovation fund and of the uses given to the fund**

Mr. Roberto Picón explains the situation of the funds. As of 31 December 2016 the available money in the bank account for the renovation fund was exhausted due to the fact that no contribution was budgeted. As per 2017 budget, the total contribution for the renovation fund was agreed to be 30,576.32 Euros. In accordance with the authorisation granted in last year meeting, the Services Company has used some of the available proceeds throughout 2017 in order to carry out investments. An amount of 7,130.06 Euros has been invested so far in following concepts: parasols and electrical appliances, bed toppers, mugs and parking access control.

Mr. Picón shows on the screen a report detailing the concepts, and the related invoices and amounts.

Accordingly, and subject to any further investment decision, the total amount that will be available as of 31 December 2017 is estimated at 23,446.30 Euros,

Several questions are posed as regards the replacement fund, which are summarised as follows:

- (a) Change of water heaters and boilers. Mr. Picón explains the benefits working with a major Canarian gas company DISA. The budget for investment in water heaters is less than it was expected, as it is sponsored by DISA Gas.
- (b) Ms. Andersson asks why some regular purchases are included in replacement fund, e.g. mugs. Mr. Picón explained that this is a new item, which was never in the apartments but it requested by many members. Therefore, as a first/time purchase, it comes out of the replacement fund. Further purchases, when broken, will come out of maintenance fees.
- (d) Ms. Andersson says that the wording of "Replacement fund" is a bit confusing and that it could be better named "Investment fund".

A debate starts regarding the need to build a proper fund for accomplishing renovations in the future. Mr. Niels Braathen states that the replacement fund, as he understands it, should be devoted to build up monies for future extraordinary refurbishments. He proposes to include a specific additional fee amount in the yearly maintenance fee which should be used only for those extraordinary refurbishments. Ms. Andersson on behalf of OPCA Sweden also requests the management company to think about building a separate fund to the Replacement Fund which would build up monies for future investments.

Regarding these requests, the Chairman states that, as the budgets are already published, he thinks it is not wise to increase the maintenance fees this time for accumulating monies for such "Investment Fund". This is an issued that can be discussed at the next General Meeting.

In the 2018 meeting an update as regards the use of the renovation fund will be provided, if applicable.

The Chairman requests that the authorisation in favour of the Administrator to use the funds if necessary for renovation works granted last year, is renewed for 2018 and future years, acknowledging that a full report will always be provided to the Holders Association.

A voting takes place and all holders vote in favour. No holder raises any objection or wants to abstain. Therefore the following resolution is unanimously passed:

- ⇒ The Administrator is authorised to use the funds available in the reparation and renovation fund during 2018 and future years in order to devote the funds to any reparation or renovation purposes.

#### **4. Report of the Services Company on the Statement of Income and Expenditure of the Holders' Association for 2016**

The Chairman explains to the holders that a Statement of Income and Expenditure for the whole year 2016 has been prepared. Mr. Roberto Picón explains the Statement and the total amount of actual expenses incurred in that period. The Statement of Income and Expenditure is shown in the screen. The main conclusions are as follows:

- (a) The budget approved in 2015 for year 2016 forecasted a total amount of expenses for 2016 of 1,238,235.23 Euros (including the deep maintenance fee).
- (b) The actual level of expenses to third parties amounted to 1,169,164.86 Euros (including the expenses for covering the deep maintenance works)
- (c) The actual level of collected maintenance fees in 2016 amounted to 1,166,305.21 Euros.
- (d) The amount of uncollected maintenance fees of 2016 was 72,030.02 Euros.
- (e) As result, there has been a deficit of 2,859.65 Euros. Mr. Picón explains that this deficit has been forwarded to the budget of 2018.

The following questions are posed by the attendees:

- Mr. Braathen asks about the caption "Other Costs". Mr. Picón shows on the screen the split of these costs.
- A question is posed in connection with the postal costs and particularly whether the maintenance fee invoices could not be issued and sent by email in order to avoid the related costs. It is agreed by all attendees that this procedure would be the best and most cost effective, but no all clients have e-mail. The Association is already saving costs out of the decision passed not to mail the minutes but rather to have them published on the web; this has already reduced these mail costs. However as per the members database not all clients have emails and trying to sort manually who and who not has email would be more time consuming, although the option will be looked into.

- In this regard it is asked whether a single invoice could be issued for those members owning several weeks. It is answered that unfortunately the IT system used is not that flexible and clients holding several weeks under different contracts still get separate invoices.

No further questions were posed.

A voting takes place and all holders vote in favour of acknowledging the Statement of Income and Expenditure of 2016. No holder raises any objection or wants to abstain. Therefore the following resolution is unanimously passed:

- ⇒ The Statement of Income and Expenditure of 2016 is acknowledged and approved.
- ⇒ The management and the services carried out by the Services Company are also approved.

#### **5. Report of the external auditor of the Statement of Income and Expenditure of the Holders' Association for 2016**

The Chairman introduces this point of the agenda and explained the audit analysis carried out by the auditor RSM Gassó. The audit analysis is referred to year 2016. The report is shown on the screen in Spanish and English. A full copy is available in the web page [www.hccanarias.com](http://www.hccanarias.com).

It is explained that the expenses are booked in the accounts of the services company and the auditor has verified that:

- (a) The auditor has seen the real Statement of Income and Expenditure of the year 2016;
- (b) Expenses are duly recorded in the accounts and correspond to actual invoices;
- (c) There is an analytical accounting in Holiday Club Canarias Resort Management S.L.U. in order to allocate the expenses to the different resorts;
- (d) The real Statement of Income and Expenditure of Club Vista Amadores is in line with the accounting of Holiday Club Canarias Resort Management S.L.U.;
- (e) The amount of expenses allocated to Club Vista Amadores is reasonable, i.e. respond to a rational parameter of allocation.

The costs of the auditor have been considered as part of the costs of the Holders Association.

Ms. Andersson asks whether if members have questions on the audit report, they could directly contact the auditing company. Mr. Picón answers any member can pose specific questions but for organising the contact they could be channelled through him. Mr. Lucock indicates that the audit company will be invited to the meeting next year if fits within their schedule and if is at no extra cost.

The Chairman asks the attendees whether they wish to continue with the external auditing or would rather prefer to stop it and eliminate thus the costs. Costs are between 4,000 Euros and 5,000 Euros every year, divided amongst the 5 resorts.

It was agreed by all attendees to continue with the audit.

The audit report is thus acknowledged by all attendees and no additional comments are made.

There is a request by one member that the auditor comes next year to the meeting and presents the audit report. The Chairman answers that he will look into this since it makes sense and he will ask them to come.

#### **6. Report on the repossession by developer of weeks of holders in default. Prorogation of the 2011 resolution**

The Chairman asks Mr. Roberto Picón to explain the measures carried out during 2017 for repossessing the weeks of holders in default in the payment of maintenance fees. Mr. Roberto Picón shows on the screen a report on the repossessions during 2017.

The Chairman adds that there has been generally a decrease in bad debt in the last years in comparison with previous years. Mr Picon shows on the screen the evolution of delinquency during the last 5 years. Delinquency in 2012 reached 21.11% and the actual percentage for 2017 is 3.17%.

The Chairman requests that previous resolutions acknowledging repossessions by Holiday Club Canarias Sales & Marketing S.L.U. against the payment of current year maintenance fees are renewed for future years, as readiness by Holiday Club Canarias Sales & Marketing S.L.U. to continue repossessing is strictly subject to this condition. The Chairman highlights however that there are no repossessions forecasted or budgeted for the year 2017.

The Chairman requests that the 2011 resolution is extended for subsequent years in the event of repossessions.

A voting takes place and all holders vote in favour. No holder raises any objection or wants to abstain. Therefore the following resolution is unanimously passed:

- ⇒ Holiday Club Canarias Sales & Marketing S.L.U. is authorized to continue repossessing in the future weeks of clients in default in the payment of their maintenance fees and in those cases it will pay to Holiday Club Canarias Resorts Management S.L.U. the outstanding maintenance fee for the year when the repossession takes place.

#### **7. Presentation of the budget submitted by the services company Holiday Club Canarias Resort Management S.L.U. for rendering services to the resort and the unit holders in 2018 and its approval, as the case may be**

Mr. Lucock asks Mr. Picón to present to the holders the budget submitted by the services company Holiday Club Canarias Resort Management S.L.U. to the Holders Association to provide services to the Holders in 2018. The budget includes a grand total of 788,703.18 Euros, including an amount of 30,000 Euros as bad debt provision. This budget proposal includes the total amount to be paid by all holders of weeks to Holiday Club Canarias Resort Management S.L.U. as consideration for the services the company will provide during the year 2018 pursuant to the standards based on which have been prepared for the corresponding budgets.

Mr. Picón explains the budget to the Holders. The outcome of the budget is that the maintenance fee payable by the Holders will decrease by a 0.11% in comparison to the maintenance fee payable under the budget of 2017.

In the event that the budget is approved, the services company Holiday Club Canarias Resort Management S.L.U. will issue the corresponding maintenance fee to each of the holders of the week including the corresponding IGIC (i.e. VAT).

The Chairman asks whether the attendees have any objection to the budget. No holder raises any objection to the budget or wants to abstain. All holders show their conformity with the budget so that the budget is unanimously approved and the maintenance fees to be paid by each holder are approved. Therefore the following resolution unanimously is passed:

- ⇒ The budget submitted by the Services Company and Administrator for 2018 is approved, with following additional measures:
- The Services Company will charge the total of the maintenance fees to the holders, splitting the total of the budget among the Holders;
  - Payment of the maintenance fees shall be made before 15<sup>th</sup> February 2018;
  - Non payment of the maintenance fees on time will trigger a penalty as per the by-laws of the Holders Association.

#### **8. Appointment and/or renewal as appropriate, of the Chairman of the Holders' Association**

Mr. Calvin Lucock is unanimously re-elected as Chairman of the Holders Association in the terms foreseen in the by-laws and in the Spanish Act on Condominiums ("*Ley de Propiedad Horizontal*").

Mr. Calvin Lucock thanks all attendees for their support and confidence.

#### **9. Appointment and/or renewal as appropriate, of the Vice-chairman of the Holders' Association**

Mr. Roberto Picón is unanimously re-elected as Vice-Chairman of the Holders Association in the terms foreseen in the by-laws and in the Spanish Act on Condominiums ("*Ley de Propiedad Horizontal*").

Mr. Roberto Picón thanks all attendees for their support and confidence.

The Chairman states expressly his thanks for the services rendered by Mr. Roberto Picón as Vice-Chairman during 2016, which is confirmed by all attendees.

#### **10. Appointment and/or renewal as appropriate, of the Secretary of the Holders' Association**

Mr. José Puente is unanimously re-elected as Secretary of the Holders Association in the terms foreseen in the Spanish Act on Condominiums ("*Ley de Propiedad Horizontal*").

Mr. José Puente thanks all attendees for their support and confidence.

The Chairman states expressly his thanks for the services rendered by Mr. José Puente as Secretary during 2016, which is confirmed by all attendees.

## 11. Questions and answers

The Chairman introduces the questions and motions raised by holders that have been sent in writing to the Administrator before this meeting.

1) Mr. Lennart Karlsson on behalf of OPCA Sweden has submitted the following questions:

1. They would like to request that the Holders association prohibits Holders to rent their weeks to third parties.

The Chairman answers that members are free to rent their weeks to whom they choose. HCC SM also offers a rental program for Holders where they can deposit their weeks with HCC SM, and not pay the relevant yearly maintenance fees. Since the introduction of this program, there have been over 1,000 weeks deposited by Holders.

2. Translation of sales documents and contracts

The Chairman explains that this is an issue not related to the Holders Association. He however provides an answer to those present on the issue. All contracts being used by HCC SM have been revised as of October 2017 and translated documents will be used in 2018.

3. Implementation of a regular quality follow up

Reference is made to the comments and proposals sent by Mr. Rolf Enquist, Mr. Gösta Nilsson and Mr. Lennart Karlsson in the last two meetings held in 2015 and in 2016 which were reflected in the minutes. They have proposed that a yearly procedure for a quality follow-up of the apartments is implemented.

The Chairman explains that the Services Company has as a standard proceeding to check the status of each unit and its inventory. Every week after a client has left a unit, the status is checked. If clients have broken or taken any asset, the relevant asset is replaced though depending on the type of asset its replacement may take some days. Reality is that clients tend to report any accidents affecting the units or the inventory. Accidents are dealt on a case by case basis and they are reviewed. If the Services Company understands that the client is liable then the costs are charged against the deposit.

2) Ms. Jytte Olsen has submitted the following requests of actions to be implemented in Club Vista Amadores.

1. Cushions for the chairs on the terrace
2. Change the brown towels
3. To obtain a discount for members wishing to play at Anfi Tauro Golf

4. Sunbeds reserved at 8am and not used until 11am
  5. No Rubbish bins at Pool
- 3) Some questions have been posed by holders on the new apartments in Club Vista Amadores. Once that the new apartments are finished, the idea is that the Holders Association will charge to the new apartment common costs and this will benefit the budget of the Association since costs will be split among a larger number of units. The Chairman explains that as soon as the unit is ready, there will be an equivalent amount to the maintenance fee being charged to that unit and the proceeds in 2018 will be an extra income for the club.
- 4) The Chairman mentions the questions raised by various members regarding whether it is necessary to have a reception in Club Jardin Amadores and in Club Vista Amadores open 24hour or whether it would be possible to close it during night time. Overnight reception service could be provided remotely (being available on call) from the resort in Club Puerto Calma, also managed by HCC RM. Closing the reception during night time (i.e. during 8 hours) will imply a 9 EUR difference in the yearly maintenance fee per week of each apartment in Club Jardin Amadores and of 12 EUR difference in the maintenance fees per week of each apartment in Club Vista Amadores. General consensus is that it is good to reduce costs but not to lose on services. Finally it is agreed that a proposal on this issue will be presented next year to be decided by the members.
- 5) An attendee wonders about the reservation of sun beds from early morning without those sun beds being used until later, which leads to other clients not being able to use them. This is the same question as the one posed by Mr. Jytte Olsen. Mr. Picón acknowledges the problem. The only solution would be to put signs asking clients not to do so, as employing someone for overlooking this will imply incurring in additional costs.
- 6) A member asks whether there is still timeshare sales activity. Mr. Lucock indicates there is still sales activity, but has significantly reduced. Market has changed and trends have changed.
- 7) Administrator of the Holders Association. It is explained that Holiday Club Canarias Resort Management S.L. was appointed in 2011 as administrator and manager of the Association in order to manage the resort and the Association. This appointment continues in place.

All attendees acknowledge the questions and the answers given.

The Chairman expressly thanks the holders attending the meeting for giving up part of their holidays and spending the time at this meeting deciding issues which affect all holders, and he particularly thanks the representatives from OPCA and Mr. Nils Braathen for their contributions to the meeting.

## **12. Granting of powers to remedy the resolutions passed, as the case may be**

The Secretary explains that it is convenient to foresee the possibility that the above resolutions may need to be remedied, provided it is always in the necessary terms as to implement the resolutions passed not to change them. Therefore the following resolution is passed:

- The Holders Association grants powers of attorney to the Chairman Mr. Calvin Lucock, to the Vice-Chairman Mr. Roberto Picón and to the Secretary Mr. José Puente, so that any other, acting on their own and on behalf of the Holders Association may appear before a Spanish Notary and grant a public deed raising these resolutions to public deed and submitting them for registration to the Land Property Registry.
- The Holders Association grants powers of attorney to the Chairman Mr. Calvin Lucock, to the Vice-Chairman Mr. Roberto Picón and to the Secretary Mr. José Puente, so that any other, acting on their own and on behalf of the Holders Association may take on behalf of the Holders Association any necessary step as to remedy and cure any of the resolutions passed in this meeting, provided no change such remedy or cure does not alter the sense of the resolution.
- For the above purposes, powers are granted to (i) appear before the relevant Spanish Administrative Authorities and make declarations and sign all necessary documents and to do whatever is necessary or appropriate in connection with the powers granted; (ii) arrange and sign all types of whatever public and private documents are required to exercise the powers conferred, to ratify, amend, extend or renew said documents, to rescind or cancel them; (iii) delegate all or any of the powers contained in this document in favour of any other attorney, and to withdraw any such delegation as he shall deem appropriate, to which effect the attorney may execute any private or public documents required.

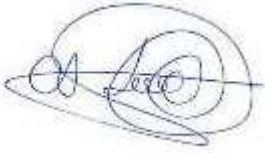

### **13. Approval of the Minutes**

According to the terms of the law, the minutes will be prepared by the Secretary and once they are ready, the Minutes will be signed by the Chairman and the Secretary of this Meeting.

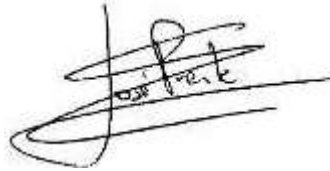

These minutes will be uploaded into the webpage [www.hccanarias.com](http://www.hccanarias.com) and will be made available to all holders. In accordance with Spanish law all holders that have not attended in person to the meeting are informed that, in line with previous years, they have the right to express within 30 days their discrepancy as regards any of the resolutions passed in this meeting once that they receive a copy of the minutes with the wording of resolutions. If they wish to raise any discrepancy with the voting they should remit it in writing by registered mail (or any other mean that provides proof of remittal) to the attention of the Secretary of the Holders' Association of Club Vista Amadores at the email address [customerservices@hccanarias.com](mailto:customerservices@hccanarias.com). If no written discrepancy is received within a period of 30 days, it will be considered that they agree and consent to the resolutions passed and their relevant votes will be counted as part of the votes voting in the same sense as the resolution passed in the meeting. If any written discrepancy is sent, this will be reflected in an addendum to the minutes that will be uploaded in the webpage [www.hccanarias.com](http://www.hccanarias.com).

Powers are granted to the Chairman, Vice-chairman as well as to the Secretary so that, should it be necessary, any of them may, indistinctly, in the name and on behalf of the Holders Association, execute the aforementioned resolutions and particularly in order to issue a certificate of the resolutions adopted, and if appropriate to appear before a Public Notary with the most ample faculties, in order to grant and sign the necessary Public Deeds, so that the aforementioned resolutions and the legal transactions arising from them may be formalised, and to raise them to the status of a Public Deed, for all the pertinent legal effects, even for the inscription of the same at the Land Property Registry.

The meeting was closed on Thursday, 30 November 2017 at 11:30.
